

Education across a lifetime.

Fount of Education International (FEDU) is a registered non-profit in Burundi, with supporting entities in the United States and Belgium. Founded in 2020, FEDU runs four connected programs that support learning, livelihoods and community in Burundi, Uganda and Malawi.

OUR FOUR PROGRAMS

Fount Academy

Early learning, classroom materials and practical training for teachers in rural Burundi.

Fount Hub

A SINA community where young people practice responsibility and build social enterprises.

Fount Community

Fount Community

Warm, practical support for families, widows and elders when the season is hard.

Fount Tournament

Football that gathers a community around a local cause people can act on.

THE WORK IN NUMBERS

325

hours of teacher training

679

children have received scholastic materials

65

young people have gone through Fount Hub

23

social enterprise ideas

Cumulative totals reached by 2026. 3 Fount Hub social enterprises have received seed grants from an external jury.
